**11:30 AM**
12:30 PM

**Wound Innovation – Collaboration for Action**

Join us for a pragmatic overview of how the Welsh Wound Innovation Centre collaborates with the NHS, third sector and commercial organisations to tackle the challenges associated with wound prevention and management to include our approach to innovation, research, education and training activities in this complex and growing health condition.

**Patient support surfaces; rapid evaluation in the laboratory**
Michael Clark, Welsh Wound Innovation Centre, Commercial Director

**Worldwide wound care education and training**
Trudie Clark, Welsh Wound Innovation Centre, Director of Education and Training

**The impact of tailored educational programmes for Health, Social care and the Independent sector**
Kirsty Mahoney, Welsh Wound Innovation Centre, Senior Tissue Viability Nurse and Clinical Operational Programme Improvement Lead

**Collaborative research to benefit patients with wounds**
Sarah Bradbury, Welsh Wound Innovation Centre, Clinical Research Director

MEDIWALES connects

NHS COLLABORATION CONFERENCE

**MediWales Connects is an all Wales NHS collaboration conference for the health and care community.**

Keynote Speaker: **Judith Paget CBE**

Director General of Health and Social Services/Chief Executive NHS Wales

## 29th JUNE 2023 ◦ ALL NATIONS CENTRE ◦ CARDIFF

## Connecting you with NHS patient facing clinicians, innovation leads, community health, industry, government and policy makers.

- Building on the excellent work that has been done around innovation adoption, we will consider the challenges involved in scaling change and adoption of new products, services and processes that deliver impact for patients across the whole NHS.
- This NHS led event includes keynote presentations, interactive workshops and exhibition stands.
- Showcasing new technologies, digital health, NHS innovations and a wellbeing zone.
- NHS teams and colleagues from the health and care community across Wales, as well as the wider industry sector, will share clinical innovation and insights to improve patient outcomes.
- Over 400 delegates from clinical and care communities, industry and academia from across Wales and the UK.
